

Objective Name	Quiz #	Mastered
Order of operations		
Operations with rational numbers		
Evaluate expressions for given values		
Classify real numbers	1	
Determine if numbers are irrational		
Properties of real numbers 3 →		
Order rational numbers	3	
Simplify expressions with rational exponents		
Simplify expressions w/ rational exponents		
Factor expressions w/ rational exponents		
Prime factorization		
Rationalize denominators		
Cube and fourth roots		
Write square roots as exponential expressions		
Simplify nth roots		
Scientific notation, multiply and divide		
WP: Scientific notation		

Lesson 1 Quiz 1

Lesson 4 P3 GP (top)

Lesson 5

NO

Lesson 2 (Intervals)  
Quiz #2

Lesson 3 (Bottom of Green Packet p 3)
